E. EXAMINATION:

i. Periodic Evaluation methods (FORMATIVE ASSESSMENT):

Formative assessment for postgraduate students is conducted as per the National Medical Commission (NMC) guidelines.

1. Continuous Assessment: It involves ongoing monitoring of the postgraduate student's performance throughout the academic term.

Regular evaluations are done through seminars, short presentations, family case presentations, ward case presentations, journal clubs, and practical procedures (Public health laboratory).

2. Clinical Competence:

Direct observation of clinical procedures, DOAP, patient interaction, Mini-CEX and decision-making is assessed at IPC, UHTC & RHTC OPD duties.

3. Feedback Mechanism:

Postgraduate Students receive regular feedback from faculty on all domains with SWOT analysis for improvement. The feedback is structured to promote growth, with faculty guiding students on how to enhance their clinical, theoretical, research, and communication skills.

4. Academic Activities:

Participation in seminars, short presentations, self-directed learning activities, case presentations and journal clubs form a core part of the assessment. Students are assessed based on their active engagement, depth of knowledge, and critical thinking abilities.

5. Logbook:

Postgraduate Students maintain a logbook that records their academic activities presented, academic activities attended, extracurricular activity participation, including Conferences and epidemic investigation activities, Operational Research activities and Evaluation surveys. The logbook is regularly reviewed by the faculty to ensure continuous learning and skill development.

6. Research Work:

Post graduate Students are assessed on their research activities, including dissertation work, research paper presentations at conferences, and publications, evaluation surveys, Operational research activities and Epidemic investigations. Regular feedback on research progress and methodology is provided.

7. Exams:

Internal exams are conducted periodically to assess knowledge and application. These include written exams, viva voce, and clinical examinations.

Sub: Increase of seats in various PG degree courses at Govt. Medical College, Nanded, Maharashtra consequent to amendment to norms on teacher-student ratio in MCI Regulations - regarding.

Sir,

I am directed to state that the Central Govt. has recently modified the teacher student ratio from 1:1 to 1:2 by amending the Postgraduate Medical Education Regulations, 2000. Accordingly, the Health Secretaries of all the States were requested by MCI to direct the Deans/Principals of Govt. Medical Colleges in their respective States to send the information with regard to availability of Professors in the subjects of broad specialities and availability of Professors & Associate Professors in respect of Super-specialities and also Unit wise number of teaching beds & students. The information received from your college was considered by the Postgraduate Committee of Medical Council of India at its meeting held on 1.12.2009 in the light of Gazette Notification dated 24.7.2009 and recommended to the Ministry to issue letter of permission for enhancement of seats in various postgraduate courses.

2. In view of the above, permission of the Central Government is granted for increase of seats in the following courses with annual intake mentioned against each course with prospective effect i.e. from the academic year 2010-11 at the college under Section 10 (A) of IMC Act, 1956:

Sl. No.	Name of the College	Name of the course	Number of seats increased
1.	Govt. Medical College, Nanded, Maharashtra	MD(General Medicine)✓	1 to 2
		MD(Pathology)✓	2 to 4
		MD(SPM/Comm. Medicine)✓	2 to 3
		MS(General Surgery)✓	2 to 3
		MD(Resp. Diseases)✓	1 to 2
		MS(ENT)✓	1 to 2

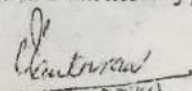

Contd...p.2

- 2 -

3. This permission for increase of seats in the above courses and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject. The college authorities may take up the matter for recognition of the qualifications under Section 11(2) of IMC Act at the time of first batch admitted against the course appears for final year examinations.

Please acknowledge receipt of this letter.

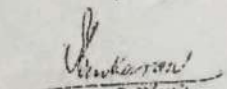

Yours faithfully,

(R. Sankaran)

PUBLIC NOTICE

Subject: Recognition of seats in medical education institutions/colleges - regarding.

The Post Graduate Medical Education Board has been receiving applications from various medical colleges/institutions for recognition, along with fees therefor, requesting for recognition of the courses permitted to be offered by them.

2. In this regard, attention of all stakeholders is again invited to para 3.1(iv) of Chapter-III of the Post Graduate Medical Education Regulations 2023 (PGMER-2023) wherein it has been indicated that, **"Once permitted, the course for the qualification will be considered recognized and seats permitted will be considered as recognized seats for registration of the degree awarded"**.

3. Further, in terms of Chapter II of Maintenance of Standards of Medical Education Regulations 2023, "After its establishment, the medical college or medical institution is obligated to furnish an Annual Disclosure Report to the corresponding Board, satisfying such conditions provided under the notified MSRs by PGMEB and regulations of NMC, as the case may be".

4. All the Medical Colleges/ Institutions running PG medical courses are hereby advised **not to send proposals for recognition of seats**. The medical colleges are, however, mandated to submit the Annual Disclosure Report, along with requisite fee (online), in respect of each PG medical course run by them, on the designated NMC's portal for this purpose as and when called for.
